

New Registration Guide for Participants

Basketball Victoria is implementing a new registration platform - [PlayHQ](#), a system that is *purpose built for basketball, by basketball*.

Reasons for this change include:

- The need for a modern, user-friendly and reliable system
- A system to help with a new state-wide individual registration process
- Adherence to new data and privacy legislation
- To assist with a better understanding of participants
- To provide clubs, associations and participants with a personalised and better experience

Change in fee structure

Currently, players in Metropolitan Melbourne pay for their Basketball Victoria affiliation fees indirectly via team or club fees, of which a component is passed on via the club (if applicable) and/or association to Basketball Victoria. Country associations currently register individually. For anyone registering to a season commencing in 2020 - the fee will be paid directly to Basketball Victoria at the point of registration to a competition season at your club or association. This results in a more transparent and affordable fee structure as participants will only need to pay once when they register per 365-day period, irrespective of how many teams or associations they play in – all in the one PlayHQ profile.

The individual Basketball Victoria affiliation/licence are as follows (when registering to any 2020 season):

- **\$25p.p** – Child / Junior (17 and under)
- **\$39p.p** – Adult / Senior (18 or over)

The process to register is very simple, just set up a [PlayHQ](#) profile and complete your registration via the link provided on your club/association website or by visiting [PlayHQ.com](#).

Basketball Victoria Affiliation

For participants, affiliation with Basketball Victoria includes:

- Personal Player/Accident insurance
